## R.M. HEADLEE CO., INC.

### Your Single Source for Valve Automation

- Large local facility with exceptional capabilities
- Pressure and cycle testing, repair and modifications
- 3 ton lift capacity
- Largest valve and actuator inventory in Upstate NY
- Broad product offering from renowned brands
- Local parts availability and quick shipment

### Local Facility with Vast Capabilities

R.M. Headlee was established in 1970 and moved into its expanded facility in Orchard Park, New York in 2009. Our Valve Automation Center (VAC) encompasses 8,000 square feet providing our clients in the Northeast with state-of-the-art assembly, calibration and testing of globally recognized brands and proven for valve control.

### Local Expertise and Service

R.M. Headlee's VAC has experienced technicians, modern facility with cutting edge automation capabilities, high quality standards and a strong dedication to serving our customers.

### Largest Valve & Actuator Inventory In Upstate New York

R.M. Headlee maintains an inventory of valves through 24" and the actuators to automate them so we can easily fill MRO requirements and fast turnaround on capital projects. We anticipate customer needs and carry parts and components of all of our valve automation brands to meet unexpected customer requirements.
